Dear Friends and Colleagues,

It is an honor to invite you to take part in our 37th Anniversary National Conference, **How Successful Directors Lead**. This premier event will take place at the Hilton Orlando Lake Buena Vista, June 16-19, 2021.

Each year, we work diligently to ensure that sponsorship, exhibition, and advertising opportunities are crafted in a way that promotes success for you, as well as our attendees.

Our Annual Conference offers the unique opportunity for companies and organizations in the early care and education field to reach “decision-makers” such as child care program Directors, Executives, and Owners in a setting that facilitates connections and networking.

We are hopeful that both the audience that attends our Conference and the engagement opportunities presented throughout this prospectus will compel you to invest in these incredibly important leaders.

I believe that when we invest in those who lead early care and education programs, we are making a meaningful, world-changing investment in the young children they serve.

On behalf of the Association for Early Learning Leaders, its Board of Directors and Staff, we appreciate your time and consideration and look forward to seeing you in Orlando!

Sincerely,
Lori Buxton
Managing Director
