The Invitation

Dear Friends and Supporters,

The Association for Early Learning Leaders and the Presidents' Legacy Commission are excited to announce our 1st Annual Fundraising Dinner, "Denim, Diamonds & Pearls - A Night of Music with Nashville Songwriters".

This premier event will be held during our 39th Annual National Conference, June 21-24, 2023, in Nashville, Tennessee. It is our desire and purpose to raise much-needed financial resources that will provide scholarships, training opportunities, and professional resources to leaders in the field of early care and education.

We invite you to join us in this effort as a Fundraising Sponsor. Your support will help us to equip and empower leaders to operate high-quality programs that provide exceptional educational experiences for our youngest learners. You will find a variety of ways that your company/organization can invest in these essential leaders in this event prospectus.

We ask for your support on this special evening as we affirm and celebrate the strength, heart, and resiliency of our field and our leaders.

Thank you for your time, consideration, and for all that you do for the Association and its leaders!

Warmly,

Lynette Galante - Board President

Mary Hornbeck - Presidents' Legacy Commission Chair

Lynnette McCarty - Denim, Diamonds & Pearls Event Chair

Lori Buxton - Executive Director
